

Fishing

 It is cloudy, it might rain. Fish are biting.
Draw the clouds and lots of fish in the sea and some birds feeding on the fish.

My Street

 Draw windows, doors, garage roller doors, fence. Finish the car, make more cars.

Here are my friends

 Draw the friends' faces.
Who is screaming?. Who is smiling? Who is talking? Who is curious?
Who is happy, who is sad?

We all love the sea

 Draw some waves, fish and birds. Are you swimming?
Are your friends swimming? Where?

Emus in the bush

 One emu needs a face. Both emus need feathers. Draw some grass and plants for them. Put more worms into the holes.
