

Throw the balls at the wickets.

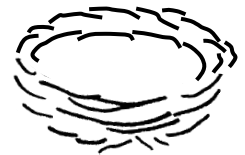

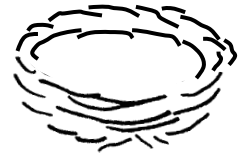

Hit the wicket. Draw a line from the ball to the wicket.

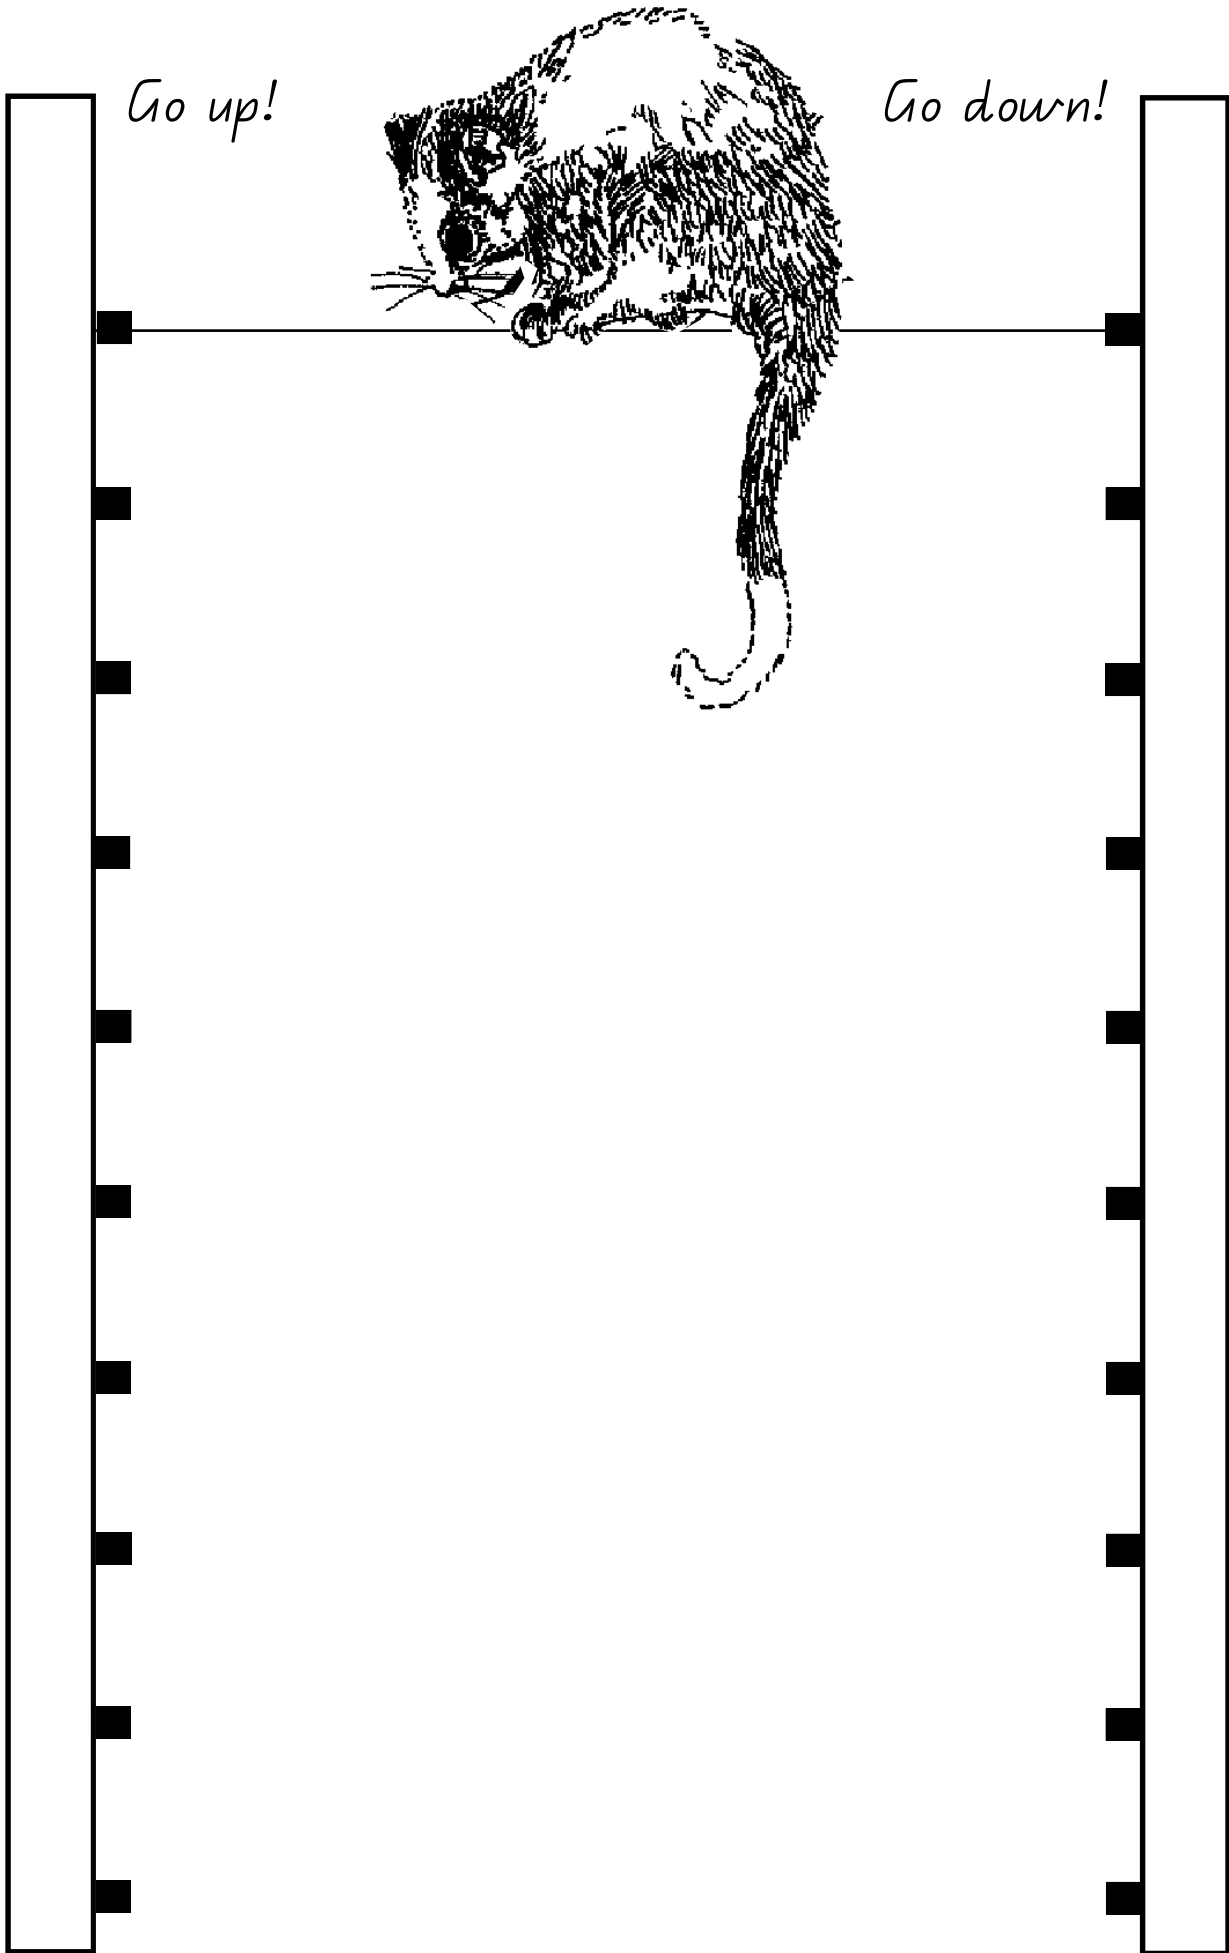

*Fix my cage, please.*

Vertical lines. Join the top spot with the corresponding spot on the bottom line to create a cage. The starting point is important, the finishing point could be approximated, as long as the pencil mark ends on the line.

Draw a line from the bird to the nest.

Draw the rungs. Start at the starting point on the left and finish at the finishing point on the right.

Hit the bulls eye!
